

Metal Art Bar Display (10 Piece Modular Kit)

This metal art BAR display kit is wonderful decor for any home, kitchen, restaurant, or bar. You probably have never seen anything like it.

The Metal-Art-Decor Bar Display kit contains small versions of our Martini, Margarita, Wine Bottle, and Beer Mug. They are held together by connectors and topped off by the "BAR" label.

What is so special about the Metal-Art-Decor.com Bar Display? The Metal-Art-Decor BAR display is modular. This means you can change the items, change the overall shape, and change the positions of the pieces for different configurations. For example, you can move the drinks around, or remove one if you like. You can change the black connector positions (make a square, diamond, or even a "W" shape). You can also tilt (angle) the drinks or "BAR" shapes as you wish! Imagine... an artistic display that YOU can modify and customize!

10 Piece Bar Display Kit includes:

- (5) Connectors (painted flat black)
 - (1) Wine Bottle and Glass
 - (1) Margarita
 - (1) Beer Mug
 - (1) Martini
 - (1) "BAR" item
- (Also included: the Assembly Screws and Nuts)

General Specifications:
Items are cut from 0.057" thick 16 gauge steel.
Finish is flat black for connectors items.
Finish is grinded steel then clear-coated, on drinks and "BAR" items.

Metal Art Decor®

Using cutting edge technology, we manufacture all types of metal art including silhouettes, sculptures, and wall hangings. Our metal art ranges from Western theme including cowboys and horses to home decorations and restaurant style wall hangings and signs.

Metal art can be used to decorate log cabins, interior of homes, and outdoor areas such as lawns and gardens. Mailbox toppers, house address numbers, and stylish metal gate artwork, are some other uses to enhance your home.
